

EFFECTIVE JANUARY 1, 2007

**The Bureau of Buildings will be enforcing the new State
Mandatory construction codes.**

Please note the following:

- To accommodate project(s) substantially designed prior to January 1, 2007; the City of Atlanta will accept permit applications through June 30, 2007 for building(s) designed under the former State Mandated Codes.
- When submitting plans, please be sure to reference which code is being used for the design. *To maintain consistency, the design must either follow the former code, or the new code.*
